

# Associate Experience

# Professional Development.

Our associates are an integral part of Wiley and play an important role in the firm's continued growth and ability to serve our clients. We want our associates to succeed and to have long and meaningful careers. We invest in the success of our associates.

## Associates Committee

Comprised of partners and associates who are elected by their peers, the Committee designs and administers programs that enhance the professional development of the firm's associates and plans social and community events.

## Mentoring & Sponsorship

Wiley's two-phase mentor program provides individualized support to developing attorneys at every stage in their careers. Phase One mentors assist with the transition from law school to private practice, and Phase Two mentors are partners charged with helping sponsor our third-year and more senior associates' successful futures.

## Education, Training, & Practice

The firm holds more than 100 in-house training programs each year. Practice groups also meet periodically to ensure that recent cases, events, or issues of interest are discussed.

## Evaluation & Advancement

The firm has a comprehensive formal evaluation program that focuses on the Associate Evaluation Competency Model, which outlines the skills associates need to acquire and sharpen as they navigate through their careers.
