International Trade Analyst

 202.719.7196

 rdidonna@wiley.law

Richard assists clients before the federal Executive agencies and independent federal agencies on a variety of issues including trade remedies, customs compliance, entry and clearance of goods into the U.S., and other related matters. As a licensed U.S. Customs Broker, he has particular experience with issues including tariff classification, rules of origin, country of origin marking rules, the free trade area (FTA) and special program preferences, the Customs-Trade Partnership Against Terrorism (C-TPAT) regulations, and post-entry procedures. Richard has provided guidance in a broad range of industries including ferrous and non-ferrous primary metal goods, fabricated metal goods, automotive components, paper products, electronics and semiconductor devices, food products, perishable agricultural products, and renewable energy products.

Representative Matters

- Assists clients proceeding before the U.S. Department of Commerce (DOC) and the U.S. International Trade Commission (USITC) in conjunction with investigations pursuant to Title VII of the Tariff Act of 1930, and Section 201 of the Trade Act of 1974.
- Assists clients proceeding before the U.S. Customs and Border Protection (CBP) relating to pre- and post-entry processes for the importation of commodity goods.
- Consults with clients on classification of goods on the Harmonized Tariff Schedule of the United States (HTSUS).
- Assists clients proceeding before the CBP and the USITC in tariff-related matters involving customs classification letter rulings, country of origin rulings, and statistical tariff breakouts.
