 rwiley@wiley.law

Dick, co-founder and name partner of the firm, has received numerous accolades throughout his storied career, including being named a Washington “Visionary” by *The National Law Journal*, the “most influential media and telecommunications lawyer in the United States” by the *International Herald Tribune*, one of the top “100 Men of the Century” by *Broadcasting & Cable*, and the “Father of High-Definition” television by *The Globe and Mail*. As Chairman of the Federal Communications Commission (FCC), he fostered increased competition and lessened regulation in the communications field. Dick played a pivotal role in the development of HDTV in this country, serving for nine years as Chairman of the FCC’s Advisory Committee on Advanced Television Service. He has represented a number of major communications-oriented organizations, including Verizon, AT&T, JP Morgan, Credit Suisse, Newspaper Association of America, Motorola, CBS, Belo, Gannett, Sirius/XM, Emmis, Gray Television, and LG. Dick also is a frequent author and lecturer on telecommunications and information law.
