

Pamela L. Signorello

Of Counsel

 202.719.3321

 psignorello@wiley.law

Pam counsels corporations and trade associations on matters involving cybersecurity and data privacy. She has expertise advising national and global companies on matters relevant to compliance, risk management, and cyber incident response.

Pam also is experienced representing insurers in connection with commercial disputes under a variety of lines of coverage, including cyber, media, directors and officers, and financial institutions. In addition to litigating complex coverage matters at the trial and appellate level, Pam regularly provides practical guidance concerning liability, damages, and settlement valuation relevant to a wide variety of class action lawsuits and regulatory matters.

Representative Matters

- Advises clients concerning potential liability, financial exposure, and settlement valuation in litigation involving data breaches, privacy laws, securities laws, commercial contract disputes, antitrust issues, proxy contests, and malpractice-related challenges.
- Represents insurers in connection with third-party claims arising from cyber- and privacy-related matters.
- Participates in mediated resolutions of consumer class actions, securities class actions, contract disputes, qui tam lawsuits, employment-related claims, and malpractice lawsuits.
- Substantial litigation experience, particularly in insurance coverage disputes in federal and state courts, resulting in successful declaratory and monetary judgments.
