Associate

 202.719.3755

 sbaxenberg@wiley.law

Sara offers counsel to companies engaged in telecommunications, mass media, unmanned aircraft systems, and emerging technology on a variety of regulatory, litigation, transactional, and compliance matters.

### Representative Matters

- Assists clients in developing strategy for and preparing comments, petitions, and other pleadings in complex proceedings before the Federal Communications Commission (FCC).
- Counsels telecommunications and mass media clients on compliance with federal regulatory obligations.
- Provides counseling on compliance with evolving regulation of unmanned aircraft systems (UAS).
- Represents telecommunications providers and trade associations in litigation matters before state and federal courts involving wireless telecommunications infrastructure siting.
- Assists clients in obtaining authorization from the Federal Aviation Administration (FAA) to operate UAS; tracks and analyzes state and local regulations of UAS, with a focus on potential conflicts between different regulatory authorities.
- Counsels companies on compliance with the Telephone Consumer Protection Act (TCPA) and the FCC's implementing regulations, the Federal Trade Commission's (FTC) Telemarketing Sales Rule, and the CAN-SPAM Act.
