Wiley Rein Government Contracts Boot Camp Series: Registration for the March 24th "Implications and Developments Arising from *Science Applications International Corp. v. United States*" Webinar

March 24, 2011

What You Will Hear:

A discussion on how the D.C. Circuit decision *Science Applications International Corp. v. United States* may affect contractors' efforts to comply with federal regulations and avoid False Claims Act (FCA) liability. This presentation will cover:

- The unusual facts that gave rise to SAIC's alleged FCA violations and the D.C. Circuit's conclusions about them;
- The developments in FCA case law that resulted from the D.C. Circuit's decision; and
- Broader insights and takeaway points, including the decision's potential impact on contractors' day-to-day business practices.

Boot Camp materials will be made available during the program via webcast and subsequently distributed to participants for future reference. Wiley Rein will assist you with CLE credit.
