

Wiley Rein Wins *Law360*'s "Practice Groups of the Year" Honors for Insurance, International Trade

January 2013

Wiley Rein's prominent Insurance and International Trade Practices have again been named among the best in the nation by *Law360*. The publication's "Practice Groups of the Year" list recognized each group's notable accomplishments and significant litigation matters in 2012.

This is the third consecutive year that the International Trade Practice, chaired by Alan H. Price, won the *Law360* honor. Wiley Rein is the only firm representing the petitioner in trade cases that was recognized for three years in a row. The Insurance Practice, led by Daniel J. Standish, won for the second year in a row.

For each of the two practice areas, Wiley Rein was among five law firms selected by a team of *Law360* editors who received almost 550 submissions from across the nation.
