

IAPP Privacy Academy and CSA Congress 2014

September 2014

September 17-19 in San Jose, CA

The IAPP and Cloud Security Alliance (CSA) are teaming up, for the first time, to bring you this phenomenal event!

The IAPP Privacy Academy and CSA Congress has been the largest and most anticipated privacy conference in the world, and this year, it will feature even more education, networking, and ideas than ever before.

Explore new concepts in privacy and learn from conventional wisdom, with thousands of practitioners, hundreds of world-class speakers, scores of thought-provoking educational sessions, and myriad networking opportunities.
